

Visionary Society and Fundraising Volunteers

Since its founding in 1980, the Academy Foundation has received contributions from thousands of members, individuals, corporations and foundations. This broad-based support whether in terms of time, expertise or financial has played an important role in allowing the Academy and Foundation to achieve their missions.

Included among these many dedicated contributors are a small, but growing, number of supporters who have truly distinguished themselves through their commitment to education, excellence in patient care and philanthropy. We are fortunate to have six such members of the ophthalmic community, who have distinguished themselves in all three areas. As a means of formally recognizing their

extraordinary commitment, the Foundation has created "The Visionary Society."

Membership in The Visionary Society is open to any Academy member, individual, corporation or foundation that contributes a total of \$1,000,000 or more for any purpose to the Foundation. Those donors who make gifts of \$1,000,000 or more within one fiscal year are designated as "Gold Members."

Honor Roll of Donors

The generous support of our many individual, corporate, and institutional donors makes possible the Foundation's significant accomplishments. In the past fiscal year we raised more than \$2.9 million toward our programs and activities.

The Honor Roll that follows acknowledges contributions made between April 1, 2003 and March 31, 2004. We extend our sincerest gratitude for every act of generosity represented on the pages that follow.

We have made every effort to provide a complete and accurate listing of donors and gifts. Please accept our sincere apologies if we have made a mistake or omission. Should you notice incorrect information, please contact us and we will gladly correct our records.

LEADERSHIP COUNCIL

The Foundation's Leadership Council is composed of individuals from around the world who support the mission and work of Foundation by contributing \$2,500 or more annually to its programs. Through their contributions and advocacy, the Leadership Council motivates others who have been affected by blindness or severe visual impairment to support the Foundation's mission.

Generous Gift From Patient Who Almost Lost His Sight

John R. Paddock, PhD

“I encourage patients who have received sight-saving treatment to support the Academy Foundation through a tribute gift so that others may receive the same quality care I was fortunate enough to receive.”

Last year the Foundation was touched by a generous gift received from Dr. John Paddock, a psychologist who underwent surgery to save his sight.

Dr. Paddock was profoundly nearsighted. He was born myopic and amblyopic, making him legally blind in his right eye while his left eye provided him with only fuzzy perception. When he was drafted in 1971, the doctor that examined his eyes pronounced, “Son, we do NOT want you shooting on OUR side!”

Dr. Paddock was unaware that his condition was a risk factor for cataract development. The surgery that removed the cataracts from both of his eyes and corrected his sight in March of 2002 left him with 20/15 vision. Dr. Paddock’s life has changed so dramatically due to the care of his ophthalmologist, he wanted others to

experience the same life alteration that was provided to him by his surgery.

On November 8th of 2003, Dr. Paddock celebrated his 50th birthday and requested that his guests donate money to the Foundation in lieu of giving him gifts. In total, his friends and family donated a large four-figure sum of money to the Foundation’s programs. In January 2004, the Foundation received an additional five-figure amount from Dr. Paddock and his wife in further support of our programming. While the care that Dr. Paddock received from his ophthalmologist made him a grateful patient, his kind heart and generosity have made us grateful, as well.

His gift has had a profound impact on the Foundation’s programs and has touched the lives of many both in the U.S. and abroad.

Legacy Society & Tribute Gifts

“When Claire and I were deciding where to direct our philanthropic support, we agreed that providing for ophthalmic education and public service was most closely aligned with our lifetime of work. To that end, Claire and I chose to establish a \$100,000 charitable remainder unitrust for the Academy Foundation because it best reflected our gratitude and commitment to the field of ophthalmology.”

-Allan and Claire Jensen, Charter members of the Legacy Society

LEGACY SOCIETY

The Legacy Society recognizes those extraordinary donors who remember the Foundation and Academy through a bequest or planned gift. Estate and planned gifts to the Foundation support the same quality of care, professional education and valuable public service programs that have long been a source of pride for the Foundation and Academy.

We gratefully acknowledge the following individuals and estates for naming the Foundation as a beneficiary in a bequest or planned gift.

The list below acknowledges planned gifts, estate gifts and bequest expectancies about which we have been notified through March 31, 2004. If you have named the Foundation as a beneficiary in a planned gift or your estate and your name does not appear on this list, please let us know. We would be happy to update our records and recognize your generosity as a member of the Legacy Society.

You may notify us by using the reply form and envelope found in the center of this report or via telephone at 415.447.0356.
